

Ported Barrier Sub

Description

Ported Barrier Sub is used in TCP system and allows fluid into the tubing as well as prevents debris from settling on top of the Firing Head. This sub is easy to redress in the field and is designed and manufactured based on high pressure and high temperature operational conditions and is capable to be used several times.

Specification

Part Number	HCO350-17T1
Diameter	3.5 in (89 mm)
Pressure Rating	20000 psi
Top Thread Type	NUE 2 7/8" 10TPI- BOX
Bottom Thread Type	NUE 2 7/8" 10TPI- PIN

Redress Kit Specification

Part Number	RKP-031
Number of pieces	4 pieces

Packing Information

Package (pcs)	--
Package Type	Wooden Box

Note: Packing specification is set based on customer request
